Resolutions of the 10thNational Dialogue Council (Umushyikirano)

From presentations made and discussions held at the 10th National Dialogue Meeting held on 13 and 14 December 2012, the following resolutions were taken:

1. Leaders from all institutions, public, private, civil society and religious organizations must continue to sensitize Rwandans that self-reliance/self determination is fought for, it is a struggle that we have to engage in and know that the cost of not striving for it is much higher than that of striving for it;
2. Rwandans to uphold the following values to help us to attain dignity and self-reliance: integrity, discipline including proper time management, quality work along with excellent service delivery, value any kind of work and work in harmony with others as a way to achieve self-reliance and dignity;
3. In the electricity rollout program, MININFRA/EWSA were requested to connect people living in grouped settlements which are near hydroelectric power plants first;
4. Within the deadline not exceeding January 2013, MININFRA/EWSA must put in place a cash power subscription payment method based on capacity payment of subscribers' categories;
5. MINEDUC/UMWALIMU SACCO were requested to develop a plan by no later than January 2013 to expedite distribution of loans to teachers who want them;
6. MININFRA was requested to accelerate compensation of people's property that was damaged during the construction of Musanze- Rubavu road and elsewhere in the country;
7. MINAGRI/RAB must improve their collaboration with seed multipliers and verify whether seed distributors are paid without any delays and obstacles;

8. MINEDUC, MINECOFIN and decentralized administrative entities were requested to put in place mechanism for paying arrears owed to people who built 9 and 12 YBE classrooms as soon as possible and inform them of these modalities;
9. MINALOC and MINISANTE were requested to review carefully the categorisation of mutual health insurance subscribers to ensure that every resident belongs to his/her right category;
10. MINEDUC was requested to explain to Rwandans, not later than the school year 2013, the criteria for selecting sections and how schools are authorized to choose these sections;
11. MINEDUC was requested to include values (to be upheld by Rwandans) in curricula and start teaching them as of the school year 2013;
12. RDB was requested to decentralize security registration services and provide the explanations of this to the population; RNP was requested to decentralize motor vehicle inspection services, while MINAGRI/RAB was requested to decentralize artificial insemination of cows and small livestock including pigs. Private operators to play a significant role in these services;
13. Decentralized national administrative entities were requested to abandon the bad practice of requiring contributions from the citizens when they seek certain services from public institutions;
14. MINECOFIN/RSSB, MINISANTE, to regularly provide medical care to new members in their first month of membership without having to wait for three months as was the case;
15. MINISANTE was requested to put in place a regular mechanism to build required capacities to be able to treat several diseases locally for which patients are referred for medical treatment abroad;
16. MINECOFIN/RSSB was requested to put in place strategies enabling Rwandans working in foreign countries and who want to transfer their social security pension to Rwanda;
17. MINAGRI, MINICOM/PSF/RDB were requested to implement adopted strategies for processing and value addition activities to milk production, to promote milk processing factories and to market milk production for cattle farmers of Gicumbi District and elsewhere in the country;
18. MINALOC/RGB were requested to put in place strategies to disseminate new activities across the country so as to accelerate development and self-reliance;
19. MINICOM/RDB/PSF to conduct a study outlining all Rwanda's potential tourist destination and attractions and to put in place various mechanisms to promote tourism;
20. MINECOFIN, MINICOM and other relevant institutions were requested to put in place guidelines/directives for creation of development funds taking into account the following aspects:
 - Multiple funds for every arising issue do not add up to a solution;

- Create a fund where it is deemed necessary;
 - Create a fund that can address multiple issues at a time.
21. MIFOTRA, WDA, MINICOM/RDB/PSF were requested to :
 - a. Put in place a short term plan for skills and vocational training;
 - b. Put in place a plan for youth professional internship;
 - c. Put in place innovation centres and train the youth on job creation;
 - d. Strengthen the national job creation program.
 22. MINIJUST and MINALOC were requested to keep explaining how compensation is paid by those convicted of the crime of genocide against Tutsis ;
 23. MINIJUST, MINISPOC/CNLG, MINALOC/FARG were requested to strengthen research, keep fighting genocide revisionism and trivialization and to further assist genocide survivors in their welfare.
